

# Greenon Knights Athletic Boosters

Are asking you to

Buy a brick in support of the Knights sidewalk and Memories that will last a lifetime!!!!

**Vitralase® Engraved Brick of Your Own Design with a Lifetime Guarantee!**

“Your” Greenon High School Boosters Organization is holding its biggest fundraiser EVER!! in support of the entire Athletic Department. We are asking you to buy a brick! The Knights sidewalk will more than likely be installed in the football stadium area just as you walk in. This has not yet been finalized. You will design your own brick(s). Everyone is welcome to buy a brick; supporters young and old, alumni or future alumni, past, present and future Knights; businesses, or even dedicate a brick to that certain someone...(hint! hint!) Christmas Replica Bricks are also available! What a great way to be remembered and show your support for the Knights!

## **Prices**

\$50 per brick with text only. Add one graphic for an additional \$10 and also add a mini replica to keep at home for another \$10. Should you choose to purchase all three, we have decided to give you the graphic for ½ price... meaning you will pay only \$65 for your engraved brick; including graphic and mini replica. In addition, these prices also include the installation of the sidewalk.

*Don't be left out! Be a part of our Knights Sidewalk & Memories that will last a LIFETIME!!*

## **Brick Details**

The bricks are 4"x 8"x 2¼" and are engraved using state of the art laser technology. This will insure strength and durability for many years to come. The mini bricks are 1 ½"x 3 x 5/8". *Did we mention that there is a lifetime guarantee on your bricks?*

## **Brick Orders**

We, the Boosters, will be taking orders for the entire school year. Our goal is to have the Knights sidewalk installed over the summer. With that, we will have 2 turn in dates. The first deadline will be PERFECT timing to have replicas for Christmas. The second deadline will be the last and final chance for this school year. We are expecting a large response this year now that the sidewalk is in place. Please do not wait to place your order till the last minute. We need to prepare each order for the vendor to insure accuracy, and too many last minute orders can hold up the process.

**Due Dates: November 3, 2008 and May 29, 2009**

## **Graphic Information (One per brick)**

We are giving you the option to choose ONE graphic for your brick. You may choose one of the Optional graphics; however, please choose one of the Core for your second choice. Depending on the amount of interest, we will decide if the optional cliparts will be available due to this being an additional cost to us as the boosters for a programming fee.
